

The Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone

The CBA is attempting to impose the federal "established business relationship" exemption on Indiana consumers. If successful, anybody that you currently have a business relationship with (e.g., your bank, credit card company, long distance carrier) will be able to call you as often as they want. Over an eighteen month period, that could translate to over 800,000,000 more unwanted phone calls to Indiana residents.
